El Tropicano Riverwalk Hotel is synonymous with San Antonio. Opening in 1962, "El Trop," as it's affectionately known, was the first hotel on San Antonio's River Walk. Just minutes from San Antonio's best riverfront shopping and restaurants, the Alamo, the River Walk's South Bank, Market Square, the Pearl Beer Market Place and restaurants. Recently renovated and modernized rooms, with Mexican motif lobby.

Come join in...sign in, and we'll all be having fun!

This is the first ever DUAL CONFERENCE FOR NFRA & TASM —TWO FOR ONE!

The 28th NFRA Annual Conference Celebration is Coming!

Jim Westbrook P.E.
NFRA President

As the newly elected NFRA President, I am eager to welcome the TASM organization to share in our annual conference. Our **2018 NFRA/TASM joint conference** will be held at the El Tropicano hotel on the San Antonio Riverwalk. Historically, San Antonio has always been a successful venue for this event, and for this year, we expect even greater things with the fantastic line-up of new presentation topics. This is an exciting year for the NFRA, as we continue to grow our membership and professional skills.

Our joint conference will highlight the valuable similarities of the two professions. Both organizations focus on elevating structures, often involve tunneling, and require important skills and special equipment to execute their respective projects. Examples of these similarities will be presented with live demonstrations at the Thursday free event, hosted by **Dodson House Moving**. On Friday, the presentations will include valuable training and insights which should appeal to both organizations.

As you review the program details, we encourage everyone to plan extra time for networking with TASM members. This conference will afford us a unique opportunity to gain new information and become better in our industry. We look forward to this memorable occasion, and offer a warm welcome to spend the weekend enjoying all that San Antonio has to offer.

So, take advantage of this one time a year opportunity.

“Special Thanks”
To Our NFRA 2018
San Antonio Conference Team!
